

Parents,

Here we have included some of the Class of 2020 Senior Tribute examples. Your tribute to your senior in the yearbook can be as unique and special as you choose it to be. They are a way to remember such a big accomplishment and change in your senior's life. Remember that this is a message that your child(ren) will have to treasure throughout their lives.

Sincerely,

Daisy Torres, *senior tributes editor*

"She was beautiful, but not like those girls in the magazines. She was beautiful, for the way she thought. She was beautiful for that sparkle in her eyes when she talked about something she loved. She was beautiful, for her ability to make other people smile even when she was sad. No, she wasn't beautiful for something as temporary as her looks. She was beautiful, deep down to her soul."

We are so proud of the beautiful person you are.
